

Title of Session	<b>FAIR Synthesis</b>
<b>SESSION 1</b>	
Presenter(s) and contact details	FAIR Project Staff (details to be confirmed)
Key words	FAIR, Information Environment, e-prints, e-theses, museums, images, preservation, portals, information delivery
Aims and objectives	<p>The FAIR Programme has been running since August 2002. Nine of the projects will be completing during the summer and autumn of 2004 and it is now the time to share the outputs and lessons learnt from these and the remaining projects. This session will be a chance for this sharing to take place within the Programme and facilitate the exchange of experience between projects.</p> <p>The session will focus around the themes that have been used to structure and co-ordinate the work of the FAIR Programme. These are:</p> <ul style="list-style-type: none"> <li>- e-prints</li> <li>- e-theses</li> <li>- Museums and Images</li> <li>- Institutional portals</li> </ul> <p>A summary of activity within each cluster will be given, plus a report on key lessons learnt from the work. There will be time for discussion on the outcomes from the Programme and reflection on how progress has mapped to the original intentions for FAIR.</p>
Audience	FAIR project staff
Style of session	Presentation and discussion
