5 Caching

This exercise is intended for workshop participants who are particularly interested in *caching*. The exercise will form the basis of a discussion group.

Question	Response
Do you run an institutional cache(s)?	
In the past have you made use of the national cache at HENSA?	
Have you experienced any problems in using a cache?	
What is the specification for your cache server? What software does it run?	
How do you configure your clients to use a cache?	
Do you have any institutional policies / guidelines covering use of your institutional cache (e.g. use of cache log files, discovering copyrighted resources in your cache)?	

Make a note of any comments on this exercise or any issues you may wish to raise at the discussion group.
